

SAMPLE
26' x 9'-6" Mono-Hull Landing Craft Specifications
And Standard Equipment

Construction:

- 5086 Aluminum hull plating, frames and transverse bulkheads ¼" bottom, 3/16" side plate, additional ¼" wear plate on keel for durability when beaching hull
- 6061-T6 sch 40 pipe and extrusions for all rails and outboard bracket.
- Full length flange plates at load point of payload area.
- All joints welded interior and exterior for 100% penetration
- 60" Landing door, with hydraulic rams to raise and lower
- Full length rub strakes at waterline and mid point of hull side
- 10" Cast aluminum cleats, welded to hull (6)
- Anode mounting plate on transom
- Water tight deck hatch, 15" x 24"
- Integrated in deck lashing points
- Self bailing deck
- Forward helm with full engine controls, steering, ramp and thruster operation
- Port & Stbd side dive doors
- Foredeck watertight storage locker

Mechanical:

- (2) Volvo-Penta D4-225 Duo-Prop diesel engines
- Volvo-Penta EVC electronic controls, gauges and hydraulic power steering
- Stainless Steel destroyer spoke helm wheel
- Frame mounted 150 gal. fuel tank with deck fill, vent line and fuel level sending unit
- Bulkhead mounted Racor fuel filter/seperator
- Hydraulic bow thruster with load sensing pump, 40L reservoir and electronic controls

Electrical:

- (2) gr 31 engine cranking batteries and (2) gr 31 deep cycle house batteries, with boxes and selector switches and automatic charging relays
- Blue Sea Systems DC breaker panel with ammeter and voltmeter
- 30A 120ACV shore power with 40A 3 stage "smart" battery charger
- Waterproof DC switch panel
- USCG 2nm Navigation and anchor lights
- (4) 2000 gph bilge pumps with auto float switches and dash mounted manual switches
- 2 speed self parking windshield wipers

- Roof mounted dual trumpet horn with dash switch
- Remote controlled 7" Jabsco searchlight
- (5) Roof mounted halogen floodlights
- 300# Pot hauler

House and Finish Items:

- Fully enclosed pilot house with forward rake 2 panel windshield
- Pilot house side sliding doors with drop windows and 5 fixed windows for 360° visibility
- Aluminum pipe radar arch with mounting pads for radar and antenna
- Bentley Marine pedestal mounted helm seat, fore and aft adjustable slider
- Bentley Marine bench seat with dry storage under seat
- Non-skid finish on all traction surfaces
- Below water line anti-fouling bottom paint, 2 coats, primed with epoxy sealer
- 40,000 btu cabin heater with defroster for year round comfort

Optional Equipment:

- Electronic packages, VHF, Depth Sounder, GPS/Plotter, Radar
- Deck & cockpit lighting options
- Tandem axle bunk or roller trailer, galvanized with brakes
- Additional raised pedestal navigator seat
- Vinyl accent stripping at water line and king plank
- Fore deck anchor locker with roller and haul pipe
